

Kilcoy State High School

— *Expecting the Best, Achieving Success* —

Dear Parents/Caregivers

This document includes important information about the fees and inclusions for the SRS. If you have previously opted in to the SRS your participation is assumed for the remainder of your child's enrolment, unless you inform the school otherwise by completing a new participation agreement form. If you are a new parent to the school, this information will assist you in making a decision as to whether you wish to participate in the SRS.

What is provided by the Queensland Government?

The Queensland Government supports children's education by providing funding for instruction (teachers), facilities (school grounds and buildings, internet), and administration (staff to run the school). Funding for schools does not extend to individual student resources such as textbooks, equipment for personal use, and many items used by the student in the classroom.

The SRS helps parents to source these resources. The school can purchase resources at lower rates due to its bulk buying power. Resources such as textbooks or musical instruments that will be used over a period of time are hired to students to further reduce costs for families. Participating in the SRS also offers a convenient way for parents to source the items that their child needs for school, and ensures that all students have access to the same standard of resources.

The types of resources that will be included are:

- Owned by the student – e.g. student diary – once provided, these items are retained by the student and used at their discretion.
- Owned by the student – e.g. student diary – once provided, these items are retained by the student and used at their discretion.
- Used in class – e.g. stationery, timber, material – these items will be used in class. Finished products that are created from these resources will generally come home with

The Fee

The SRS is a flat fee for all Students in 2025.

If you are not satisfied that the SRS fee represents good value for money based on the inclusions (over the page), you may choose not to participate in the SRS. If that is the case, please complete a new Participation Agreement Form, indicating that you no longer wish to participate. If you choose not to participate, you will be provided with a detailed list of resources that you will need to provide for the student.

The TRA

The Department of Education provides a Textbook and Resource Allowance (TRA) to assist parents with the cost of textbooks and other education resources for eligible Years 7 to 12 students.

Cost Breakdown

The diagrams below reflect how the TRA has been deducted from the SRS fee for eligible students who have opted in to the Curriculum SRS.

Financial Difficulty

You will receive an invoice for 3x instalments of \$75. Payment can be made in full by 31 January 2025 or can be paid by instalments being due in the first week of Terms 1, 2 and 3.

If you would like to participate but are experiencing financial difficulties, please contact the school to arrange to discuss options. Any information that you provide will be confidential.

Return of hired resources

A repair or replacement cost will be charged to the parent for any items that are damaged or not returned.

Contact us
