

Investing for Success

Under this agreement for 2016

KILCOY STATE HIGH SCHOOL will receive - \$203,310*

This funding will be used to

- Increase the percentage of students meeting the National Minimum Standard for Literacy and Numeracy for their year level to 100%
- Increase the percentage of students in the NAPLAN upper two bands
- Embed and evidence based plan, developed by the school to address the specific learning needs of students not meeting the National Minimum Standard for Literacy and/or Numeracy.
- Increase the percentage of students achieving a 'B' standard or above in core learning areas
- Enable every Year 12 student (100%) to attain either the Queensland Certificate of Education or Queensland Certificate of Individual Attainment

Our initiatives include

- Implementing a whole school approach to provide a continuum of literacy/numeracy support with personalised teaching and intervention that meets the needs of all students
- Implementing a whole school approach to teaching Reading
- Increasing teachers' repertoire of effective strategies to teach Reading
- Building teachers capability to teach 'Thinking Skills' enabling students to access higher order thinking strategies across all year levels
- Revisiting and revising the school pedagogical framework in order to continue embedding a shared language of teaching and learning across the school
- Engaging in the Pilot Project 'New Pedagogies for Deep Learning' – researching, developing and implementing programs that provide access to higher order thinking skills for all students
- Continuing to support professional learning teams across the school promoting shared learning, planning and reviewing of curriculum and teaching practice
- Building teacher capability to use Technology to differentiate and improve learning experiences
- Building the capacity of Instructional Leaders through internal and external providers
- Building students capacity to make connections in learning by broadening their experience of the world outside Kilcoy

Our school will improve student outcomes by

Employing an ST:LAN to support the delivery of Literacy/Numeracy - Learning Support programs	\$25 580
Purchasing Teacher Aide hours to support the school Literacy/Numeracy – Learning Support programs	\$36 500
Providing professional learning opportunities for Leaders, Teachers and Teacher Aides to build capacity to provide targeted and differentiated learning opportunities for all students	\$27 180
Investing in the 'New Pedagogies for Deep Learning' program	\$30 000
Investing in technology, digital resources and services to build capability across the whole school to use these resources to facilitate the differentiation of learning	\$45 050
Purchasing and developing resources to enable the implementation of whole school and targeted programs	\$20 000
Providing equal access to targeted learning experiences in the wider community	\$14 000
Promoting 'Student Wellbeing' by supporting Pastoral Care and the Student Support team	\$5 000
