

Investing for Success

Under this agreement for 2018

Kilcoy State High School will receive

\$203,315*

This funding will be used to

- Increase the percentage of students meeting the National Minimum Standard for Literacy and Numeracy for their year level to 100%
- Increase the percentage of students in the NAPLAN upper two bands
- Embed an evidence based plan, developed by the school to address the specific learning needs of students not meeting the National Minimum Standard for Literacy and/or Numeracy.
- Increase the percentage of students achieving a 'B' standard or above in core learning areas
- Enable every Year 12 student (100%) to attain either the Queensland Certificate of Education or Queensland Certificate of Individual Attainment

Our initiatives include

- Implementing a whole school approach to provide a continuum of literacy/numeracy support with personalised teaching and intervention that meets the needs of all students
- Implementing a whole school approach to teaching Reading and Writing strategies
- Building teachers capability to teach 'Thinking Skills' enabling students to access higher order thinking strategies across all year levels
- Revisiting and revising the school pedagogical framework in order to continue embedding a shared language of teaching and learning across the school
- Continued engagement in the 'New Pedagogies for Deep Learning' project – researching, developing and implementing a school wide program to foster 'Deep Learning' and the development of 21st Century skills.
- Continuing to support professional learning teams across the school promoting shared learning, planning and reviewing of curriculum and teaching practice
- Building teacher capability to use Technology to differentiate and improve learning experiences
- Building the capacity of Instructional Leaders through internal and external providers
- Building students capacity to make connections in learning by broadening their experience of the world outside Kilcoy
