

# Great Results Guarantee

**Under this agreement for 2014  
Kilcoy State High School will receive**

**\$95,455\***

**This funding will be used to**

- Increase the percentage of students meeting the National Minimum Standard for literacy and numeracy for their year level to 100%

Or

- Have an evidence-based plan, developed by the school, in place to address the specific learning needs of students not meeting the National Minimum Standard for literacy or numeracy

**Our strategy will be to**

- Develop and implement a 'Whole school approach' to provide a continuum of literacy/numeracy support with personalized teaching and intervention that meets the needs of all students
- Provide professional development for support teachers to further develop their capacity to work with students who require targeted and intensive literacy and numeracy development
- Build the capacity of the Instructional Leaders of the school through internal and external providers
- Provide professional development for Teachers across all learning areas in the teaching of reading, reading comprehension, writing and numeracy strategies.
- Implement whole school approaches to the teaching of reading, reading comprehension, writing and numeracy strategies supported by appropriate staff training and resources

**Our school will improve student outcomes by**

<ul style="list-style-type: none"> <li>• Providing professional development to -                             <ul style="list-style-type: none"> <li>○ develop teacher and teacher aide capabilities as well as providing release time for program development, implementation and review in reading, reading Comprehension, writing and numeracy</li> <li>○ Build Instructional Leader capability using internal and external providers</li> </ul> </li> </ul>	\$25 000
<ul style="list-style-type: none"> <li>• Purchasing and developing resources to enable the implementation of whole school and targeted programs</li> </ul>	\$15 000
<ul style="list-style-type: none"> <li>• Access Health professionals as needed to help determine and address barriers to learning</li> </ul>	\$5 000
<ul style="list-style-type: none"> <li>• Purchasing Teacher Aide hours to facilitate the implementation of personalized teaching and intervention to meet the needs of all students</li> </ul>	\$50 000
